CALL FOR ABSTRACTS

With great pleasure we invite abstracts for oral and poster presentations at the 4th IDPA Congress hosted by the Arab Network for Early Child Development (ANECD).

This year's theme is "Nurturing Children in Crisis" and acknowledges the importance of improving child development by supporting families and communities where children face many adversities such as poverty, inequity, violent conflicts, displacement and the current COVID19 crisis.

Congress Registration Open as of August 1, 2021

Abstract Submission Open From August 1 till September 12, 2021

[Click here](#) to check the rules and guidelines for abstract submission on the meeting website before submitting.
